[See Appendix 213 Annexure No. 17]

Upgradation of Airports in Tamil Nadu

4166. SHRI B.S. GNANADESIKAN: Will the Minister of CIVIL AVIATION be pleased to state:

(a) whether Government proposes to upgrade any airports in Tamil Nadu to international standards since in cities other than Chennai, the air traffic has increased recently for domestic and international journeys;

(b) if so, the details thereof; and

(c) if not, the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF CIVIL AVIATION (SHRI PRAFUL PATEL): (a) and (b) Yes, Sir. Besides Chennai airport, Airports Authority of India (AAI) has undertaken development of the existing airports at Coimbatore, Madurai and Tiruchirrappalli in Tamil Nadu to international standards. At Coimbatore airport, extension of runway, strengthening of runway, taxiways and construction of isolation bay, grading of side strips. RESA, development and construction of storm water drain etc. have been completed. Construction of a new fire station CAT-IX, construction of E&M workshop and expansion of cargo complex are in progress.

At Madurai airport, construction of boundary wall in operational area, recarpeting and extension of runway, expansion of apron, additional link taxiway, isolation bay and associated facilities, new fire station CAT-VI etc. have been completed. Installation of ILS, construction of localizer building, glide path building, simple approach lighting system, construction of new integrated terminal building, installation of two aerobridges etc. are in progress.

At Tiruchirrappalli airport, strengthening and extension of existing runway, extension and strengthening of apron and allied works, construction of isolation bay and construction of new fire station etc. have ben completed. Works like construction of drain, new integrated terminal building complex, etc. are in progress.

(c) Does not arise.

Fall in ATF price

4167. SHRI JESUDASU SEELAM: Will the Minister of CIVIL AVIATION be pleased to state:

(a) whether the prices for Aviation Turbine Fuel (ATF) as annoucned in February by oil PSUs is getting cheaper in all cities for the second time this year;

(b) if so, whether the airlines have refused to pass on this benefit to passengers and surcharge remained unchanged at Rs. 1650 per ticket;

(c) if so. what are the main reasons for not passing on this benefit to the passengers by the airlines; and
